Data Archiving and Networked Services

14 September 2022

[Strengthening digital competences in three science domains](#)

There will be three thematic Digital Competence Centres (DCC) networks, bringing together scientists in three 'domains': Social Sciences and Humanities (SSH), Life Sciences & Health (LSH) and Natural and Engineering Sciences (NES).

7 September 2022

[Towards a European network of FAIR-enabling Trustworthy Digital Repositories](#)

FSD introduces a new working paper they are collaborating on: *Towards a European network of FAIR-enabling Trustworthy Digital Repositories (TDRs)*. Individual research data repositories would greatly benefit from a larger, community-driven network of similar actors as a shared knowledge resource and source of peer support.

FINNISH SOCIAL
SCIENCE DATA ARCHIVE

7 September 2022

[Spotlight on the Polish Social Data Archive](#)

The Polish Social Data Archive (PADS) is currently a CESSDA partner and aspiring to become a member in the near future. Hear from Marcin Zieliński, Head of the archive.

CESSDA: Projects in focus

Let us know the latest developments in your CESSDA affiliated projects.

Subscribe to the BY-COVID newsletter

A quarterly newsletter for updates from the BY-COVID project has recently been launched.

COORDINATE: recent events and new resources

The COORDINATE team have been busy! Catch up on their latest blogs, covering Research Assistant Bruno Šimac's experience of the [Transnational Access Visit programme](#) and Marina Gabor reporting on their [Train the Trainer event](#) earlier this month. Plus, you can find numerous [COORDINATE resources](#) here, including materials from the Summer School.

EOSC Future calling!

EOSC Future is seeking applicants to support the hosting of the [RDA 20 Plenary Conference](#) in March 2023 and will shortly be launching a €2M call to boost the uptake of digital services within the European research community - [register your interest](#) for further updates on "European research e-infrastructures – Distribution of commercial cloud services".

Register now for the ERIC Forum General Assembly and final meeting

The upcoming ERIC Forum General Assembly and final meeting of the ERIC Forum Implementation Project will be held in Brussels on 11-12 October 2022 and also livestreamed.

A new group of [Horizon Europe projects](#) takes on the challenge of implementing - and communicating - the European Open Science Cloud, while the [EOSC Symposium](#) (taking place 14-17 November) has issued an open call for sessions.

RiTrainPlus staff exchange program

With the intentions of sharing expertise and learning from the experiences of others in open science practices, CREDI staff visited colleagues at ADP during a recent visit organised as part of the RiTrain project.

TRIPLE to benefit from OPERAS grant

TRIPLE collaborator the OPERAS Research Infrastructure, has received €2.7M from the European Commission to further develop and sustain the infrastructure and its services.

For more on CESSDA's EU projects, visit our page on [Development and Impact](#).
