I would rather have a bad date with you, than your bad data

To:

From:

cessda

cessda

I love you both
qualitatively and
quantitatively

To:

From:

cessda

My love for you
is like big data:
too much to process

To:

From:

cessda

I can't decide what I like most:
Your front-end, or your back-end?

To:

From:

cessda

My heart is not machine actionable, but I am FAIR (Fun, Attractive, Intelligent, and Reliable)

To:

From:

All I want is a *sensitive guy* with no *sensitive data*

◇ cessda

cessda

With you, I'm floating on the EOSC Cloud
