## Training Possibilities

This section announces the next training possibilities for data service professionals and researchers. These trainings can take the form of face-to-face or online courses and workshops, as well as webinars. Whenever available, links to recordings and presentations of past training will also be shared in the publication section.

Conference and Events

The announcement of next conferences and events are listed in this section. You can follow the links for more information on the events, and deadlines to register and send abstract.

29 June - 1 July 2020  International Conference on ICT enhanced Social Sciences and Humanities 2020 (free and online)  Data service professionals  https://ictessh.uns.ac.rs/

- Reminder

22-24 September 2020  Preservation and Archiving Special Interest Group (PASIG) meeting in Madrid, Spain - Save the date  Data service professionals  https://www.pasig2020memoriademadrid.es/

1-2 December 2020  EDDI20: 12th Annual European DDI User Conference (Paris, France) - Call for papers  Data service professionals  https://eddi20.sciencesconf.org/
deadline: 12 July 2020

Publications and other resources

In this section will be listed new reports and publications, as well as different resources such as tools and past recordings and presentations from training and conferences. You can find other useful resources for data service professionals and users in the CESSDA Resource Directory. All deliverables, reports created in CESSDA projects as well as past CESSDA training are available in the CESSDA Zenodo platform. Other publications and links to past training are available in project-specific websites, e.g., iassist data.org, gotriple.eu, sshopencloud.eu.

Facts and Figures for open research data: number of repositories, funders' and journal's policies, researchers' attitudes towards data sharing (European Commission)  Data service professionals  https://ec.europa.eu/info/research-and-innovation/strategy/goals-research-and-innovation-policy/open-science/open-science-monitor/facts-and-figures-open-research-data_en#additional-indicators

CESSDA has launched a Survey on CESSDA Data Management Expert Guide  DSP and researchers  https://twitter.com/CESSDA_Data/status/1273592944340205568

The TRIPLE project has launched a User Research Survey
