Training Possibilities

This section announces the next training possibilities for data service professionals and researchers. These trainings can take the form of face-to-face or online courses and workshops, as well as webinars. Whenever available, links to recordings and presentations of past training will also be shared in the publication section.

8 & 10 February  SSHOC DARIAH Train-the-Trainer RDM Bootcamp: aimed at all academics and practitioners involved in delivering Research Data Management training Researchers  [https://www.sshopencloud.eu/train-trainer-rdm-bootcamp](https://www.sshopencloud.eu/train-trainer-rdm-bootcamp)

Conference and Events

The announcement of next conferences and events are listed in this section. You can follow the links for more information on the events, and deadlines to register and send abstract.

17-19 February  Open Science Conference 2021 (DSP and researchers)  [https://web-eur.cvent.com/event/edaaff56-a01b-4d78-8041-ac2b1aab00be/summary](https://web-eur.cvent.com/event/edaaff56-a01b-4d78-8041-ac2b1aab00be/summary)

Publications and other resources

In this section will be listed new reports and publications, as well as different resources such as tools and past recordings and presentations from training and conferences. You can find other useful resources for data service professionals and users in the [CESSDA Resource Directory](https://www.cessda.eu). All deliverables, reports created in CESSDA projects as well as past CESSDA training are available in the [CESSDA Zenodo platform](https://www.cessda.eu).

A Review of the History, Advocacy and Efficacy of Data Management Plans  [https://doi.org/10.2218/ijdc.v15i1.525](https://doi.org/10.2218/ijdc.v15i1.525)

In this section, you find the funding and collaboration possibilities in EU/international projects.

FAIRsFAIR Announces Open Call for Policy Enhancement Support

SSH Open Marketplace - Beta Release: All members of the SSH community are warmly invited to review and test the service.
Employment Opportunities
