Challenges

- ◆ Pan-European coverage
(widening membership & developing the network of partners)
- ◆ Growing membership; diversity; modes of collaboration
- ◆ Widening in all meanings (new data types, new demands from the research community, new services)
- ◆ Changing RI environment (EU scientific policies, Open Access, FAIR data, EOSC, clustering, monitoring and evaluation...)
- ◆ CESSDA visibility and visible impact to research and RIs, disseminating CESSDA tools and knowledge
- ◆ CESSDA on a global playground

Change?

- ◇ sustainability
- ◇ stronger CESSDA
- ◇ (un-)balance
- ◇ (ir-)responsibility
- ◇ (in-)justice (large vs. small)
- ◇ opportunities, returns

Challenges for widening

- ◆ Promotion of widening by more structured membership and more formalised wide collaborative network
 - ◆ Is formal partnership beneficial as a first step to membership?
 - ◆ Is formal partnership beneficial to establishing closer longer-term collaboration?
